

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF NORTH CAROLINA
Statesville Division**

UNITED STATES OF AMERICA,

v.

GREG E. LINDBERG, *et al.*,

Defendants.

No. 5:19-cr-22-MOC-DSC

LETTER REGARDING PRESERVATION OF *BRADY* AND *JENCKS* OBJECTIONS

On or around February 6, 2020, the government notified the defendants that it is in possession of approximately 330,000 documents that were produced to the government over the last six to eight months and that could have bearing on this case. The government began producing those documents to the defense late last week. The government does not believe that there is *Brady* or *Jencks* material included within these documents but has not reviewed such documents. As a result, it is prepared to go to trial without having reviewed the documents themselves.

Of course, the government could be wrong, and for that reason, the defendants are submitting this letter to preserve their objection should a subsequent review of the documents reveal *Brady* or *Jencks* material.
